The above statements are intended to describe the general nature and level of the work being performed by people assigned to this work. This is not an exhaustive list of all duties and responsibilities. Nortera reserves the right to amend and change responsibilities to meet business and organizational needs as necessary. A position description is written for each position in our company and maintained on file with HR. The purpose of these position descriptions is to define job standards and essential functions and physical requirements, as well as marginal or peripheral duties and reporting relationships for the various positions throughout our company. Employees may request a copy of their position description at the time of hire and whenever accountabilities change significantly. Position descriptions are designed to promote a better understanding of the total job for both employees and supervisors. Supervisors will refer to position descriptions during the recruitment and hiring process, as well as during performance appraisal discussion. Position descriptions are updated periodically to reflect changes in job duties and organizational structure. Employees should schedule time to meet with their supervisor if they believe their position description needs updating or if they have questions.
